Tom:

Thanks for forwarding this list. Right now, September 14 or 15th are open dates on my schedule. My preference is for a morning meeting, so let's plan for September 14th at 10 am. We can meet at my office which is located at the East Chicago Sanitary District, 5201 Indianapolis Blvd.

Please confirm if that time will work for you.

Thanks,  
 Greg

**Subject:** Initial Properties Scheduled for Remediation

Gregg,

Below is a list of the initial properties we plan to remediate this fall. We may add a few others if the weather cooperates. I will send you a copy of the Remedial Design for these properties next week. I would hope we could have a meeting either September 14 or September 15 to discuss the remediation of these properties and Zone 1 future use. Tim and I look forward to working with you.
